Education

- Ph.D., English, Indiana University, 2000.
- M.A., English, Indiana University, 1988.
- A.B. (*summa cum laude*), English, Ohio University, 1987.

Academic Appointments

- Associate Professor, Department of Information and Library Science, School of Informatics, Computing & Engineering, Indiana University, 2013-present.
- Adjunct Associate Professor, Department of English, Indiana University, 2013-present.
- Assistant Professor, School of Library and Information Science, Indiana University, 2006-2013.
- Adjunct Assistant Professor, Department of English, Indiana University, 2004-2013.

Professional Positions

- Associate Librarian & Associate Director for Projects and Services, Digital Library Program, University Libraries, Indiana University, 2004-2006.
- Manager of Electronic Text Technologies, Digital Library Program, University Information Technology Services, Indiana University, 2000-2004.
- Lead Electronic Text Specialist, Library Electronic Text Support Services & Digital Library Program, University Information Technology Services, Indiana University, 1998-2000.
- Electronic Text Support Specialist, Library Electronic Text Support Services & Digital Library Program, University Information Technology Services, Indiana University, 1996-1998.

Grants, Awards, and Fellowships

- [1] Comic Book Readership Archive (CoBRA). PI. Indiana University New Frontiers in the Arts and Humanities grant (\$36,658). 2014-2015.
- [2] Comic Book Readership Archive (CoBRA). PI. Indiana University Institute for Advanced Study Research Consultation Fellowship (\$9,769). 2014-2016.
- [3] *The Petrarch Project: A Rich Text Edition/Commentary of Petrarch's Rerum vulgarium fragmenta*. Co-PI. National Endowment for the Humanities Scholarly Editions and Translations Grant (\$275,000). 2014-2017.
- [4] Integrated Doctoral Education with Application to Scholarly Communication (IDEASc). Co-PI. Institute for Museum and Library Services Laura Bush 21st-Century Librarian Grant (\$500,000). 2014-2018.

- [5] *The PetrArchive Project: A New Digital “Rich Text” Edition/Commentary of Petrarch’s Rerum vulgarium fragmenta*. Co-PI. Indiana University New Frontiers in the Arts and Humanities grant (\$41,652). 2013.
- [6] *A Journal-Driven Bibliography of Digital Humanities*. Co-investigator on a project to create, manage, export, and publish high-quality bibliographical data across the digital humanities research domain. Funded by the National Endowment for the Humanities (\$49,659), 2011-2013.
- [7] *Text Image Linking Environment (TILE)*. Co-PI on a project to build a web-based tool for use in the creation of digital editions and archives of humanities texts and for the analysis of linked texts and images. Funded by the National Endowment for the Humanities (\$400,000), 2009-2011.
- [8] *Chymistry of Isaac Newton: A Rigorous Analysis of the Language of Alchemy*. Co-investigator on a project to build computational text analysis tools to assist in the analysis of alchemical language in the Newtonian alchemical corpus. Funded by the National Science Foundation (\$523,359), 2009-2012.
- [9] *Digital Humanities Tools in The Chymistry of Isaac Newton*. PI on a project to build a suite of reference and annotation tools for the Chymistry of Isaac Newton project. Funded by the National Endowment for the Humanities (\$200,000), 2007-2010.
- [10] Indiana University Institute for Digital Arts and Humanities Fellowship (\$50,000), 2007-2009.
- [11] Indiana University Libraries White Collaborative Award to fund collaborative research on “*The Swinburne Project as a Test Bed for Studying XML Topic Maps*” (\$2,500), 2007-2008.
- [12] Indiana University New Frontiers in the Arts and Humanities grant for research travel (\$2,500), 2007.
- [13] *Chymistry of Isaac Newton*. Co-investigator on a project to develop a digital scholarly edition of the alchemical writings of Isaac Newton. Funded by the National Science Foundation (\$364,746), 2006-2009.
- [14] Indiana University New Frontiers in the Arts and Humanities grant for research travel (\$2,500), 2006.
- [15] Indiana University Librarian Support grant for research travel (\$750), 2006.
- [16] Indiana University New Frontiers in the Arts and Humanities grant for research travel (\$2,500), 2005.
- [17] Indiana University Librarian Support grant for research travel (\$750), 2005.
- [18] *Chymistry of Isaac Newton*. Co-investigator on a project to develop a digital scholarly edition of the alchemical writings of Isaac Newton. Funded by the National Science Foundation (\$450,000). 2003-2006.
- [19] *Creating an Online Film Literature Index*. Co-PI on a project to convert 564,000 paper-based entries in the annual *Film Literature Index* (1976-2000) to a Web-based digital scholarly resource. Funded by the National Endowment for the Humanities (\$239,343), 2002-2005.

Invited Papers & Presentations

- [89] Walsh, J. A. (2018). “Annotation of the Comic Book Paratext.” Invited to serve as Co-Director and give presentation at workshop on Comics Annotation: Designing Common Frameworks for Empirical Research, University of Potsdam, June 18-19, 2018.
- [90] Walsh, J. A. (2016). “Spins a web, any size”: Topic modeling a corpus of American comic book fan mail. Invited talk for Empirical Study of Comics International Conference, Bremen University, February 2, 2016.
- [91] Walsh, J. A. (2016). Comic Book Readership Archive (CoBRA) Project. Invited talk for Symposium on Interdisciplinary comics research: Bringing together theoretical and empirical approaches to the analysis of visual narratives. Hanse-Wissenschaftskolleg Institute for Advanced Study, Delmenhorst, Germany, 7 July 2016.

- [92] Walsh, J. A. (2015). The Comic Book Readership Archive (CoBRA). Invited talk for the Information and Library Science Colloquium Series, School of Informatics and Computing, Indiana University, Bloomington, October 30, 2015.
- [93] Walsh, J. A. (2014). FOOM, fan mail, and fast selling American seeds: Building an archive of American comic book readership. Invited talk for the Empirical Approaches to Comics workshop, Literaturwerkstatt, Berlin, September 20, 2014.
- [94] Storey, H. W., & Walsh, J. A. (2014). Indexicality, visual poetics, and the *Petrarchive*: Editing and interpreting Petrarch. Invited talk for the Society for Textual Scholarship International Interdisciplinary Conference, University of Washington, Seattle, WA, March 20, 2014.
- [95] Walsh, J. A. (2013). Film, paratexts, and the digital document. Invited talk for Regeneration in digital contexts: Early black film conference and workshop, Black Film Center and Archive, Indiana University, Bloomington, November 15-16, 2013. Retrieved from <http://www.indiana.edu/~regener8/regeneration/items/show/202>
- [96] Walsh, J. A. (2013). Digital humanities: Early career issues. Invited talk for the Digital Scholars Reading and Discussion Group, Florida State University, Tallahassee, FL, October 10, 2013.
- [97] Walsh, J. A. (2013). Metadata ~~and~~ are the critical archive. Plenary address presented at the Melville Electronic Library (MEL) MELCamp, Texas A&M University, College Station, TX, March 25-27, 2013.
- [98] Walsh, J. A. (2011). Reconfiguring the edition: Information and the Victorian poet. Paper presented at Scholarly Editions and the Digital Age: Text and Music, Indiana University, Bloomington, IN, August 31, 2012.
- [99] Walsh, J. A. (2011). Information and the Victorian poet. Paper presented at the Seminar of the Faculty Fellows of the Institute for Digital Arts and Humanities, Indiana University, Bloomington, December 9, 2011.
- [100] Walsh, J. A. (2011). Comic Book Markup Language. Invited lecture for LIS590CL Comics in Libraries, graduate course at the Graduate School of Library and Information Science, University of Illinois at Urbana-Champaign, IL, May 19, 2011.
- [101] Walsh, J. A., & Porter, D. (2011). The story of TILE: Developing tools for working with images. Paper presented at the Indiana University Institute for Digital Arts & Humanities Brown Bag Lecture Series, Indiana University, Bloomington, January 27, 2011.
- [102] Walsh, J. A. (2011). Swinburne for children. Invited presentation to Mr. Tim Dowling's Fourth Grade Class, Childs Elementary School, Bloomington, IN, January 5, 2011.
- [103] Walsh, J. A. (2010). "Threads in the unseen woof thy music weaves": Visualized networks in nineteenth-century poetry. Paper presented at Networks and Network Analysis for the Humanities: An NEH Institute for Advanced Topics in Digital Humanities. University of California, Los Angeles, August 15-27, 2010.
- [104] Walsh, J. A., Smith-Robbins, S., & Simpson, G. L. (Plenary panel). (2010). The impact of digital humanities: Tools, research, and careers. Paper presented at the International Interdisciplinary Graduate Conference, Department of English, Indiana University, Bloomington, March 25-27, 2010.

- [136] Walsh, J. A. (2003). XML and comic book markup language. Paper presented at the Digital Library Brown Bag Lecture Series, Indiana University, Bloomington, October 24, 2003.
- [137] Walsh, J. A. (2003). “Unicode ate my brain”: The trials and tribulations of implementing a Unicode-dependent digital library project. Paper presented at the Digital Library Brown Bag Lecture Series, Indiana University, Bloomington, December 5, 2003.

Teaching

I teach graduate courses on digital humanities, digital libraries, and related technologies. I supervise many students taking “independent study” credits, providing students with opportunities to collaborate with me on my various digital research projects. I am also the Director of the Digital Libraries and Digital Humanities specializations within the Master of Information Science and Master of Library Science degrees.

Courses Taught

[Z657 Digital Humanities](#)

[Z652 Digital Libraries](#)

[Z656 Advanced XML: Electronic Publishing Standards and Systems](#)

[Z672 Seminar on Literature for Youth \(*Topic: Comic Books and Graphic Novels for Youth*\)](#)

Service

National & International Professional Activities

Director, [Hathi Trust Research Center](#) (HTRC), July, 2018-present.

Interim Co-Director, [Hathi Trust Research Center](#) (HTRC), July, 2017-June, 2018.

Editor for *Journal of the Text Encoding Initiative* <<http://jtei.revues.org>>, an open-access, peer-reviewed, digital journal; the official journal of the [Text Encoding Initiative Consortium](#) <<http://jtei.revues.org>>. 2014-present.

Member, Text Encoding Initiative (TEI) Board of Directors, 2011-2014.

Member, Awards Committee of the Alliance of Digital Humanities Organizations (ADHO), 2009-2013.

Technical Editor for *Digital Humanities Quarterly* <<http://www.digitalhumanities.org/dhq/>>, an open-access, peer-reviewed, digital journal covering all aspects of digital media in the humanities and published by the Alliance of Digital Humanities Organizations <<http://www.digitalhumanities.org/>>. 2005-present.

Executive Council & Victorian Editorial Board of *NINES* (Networked Interface for Nineteenth-Century Electronic Scholarship) <<http://www.nines.org/>>, a project, funded in part by the Andrew W. Mellon Foundation, to found a publishing environment for integrated, peer-reviewed online scholarship centered in nineteenth-century studies, British and American. 2004-present.

Text Encoding Initiative (TEI) Text and Graphics Special Interest Group. Co-Convener, with Dot Porter, of the Text and Graphics SIG, a forum for discussion of theoretical and practical issues related to the encoding and digital representation of graphically-rich texts. The SIG sponsors meetings and paper/panel sessions at the annual TEI Members Meeting and Conference. 2003-present

Member, International Programming Committee for the 2011 annual Digital Humanities conference.

Member, International Programming Committee for the 2010 annual Digital Humanities conference.

Executive Committee, Association for Computers and the Humanities (ACH), 2007-2010.

Member, Text Encoding Initiative (TEI) Technical Council. Elected member (two consecutive two-year terms) of the Technical Council that oversees the ongoing development of the Text Encoding Initiative Guidelines. 2005-2008.

Text Encoding Initiative (TEI) / National Endowment for the Humanities (NEH) Task Force on SGML/XML Migration. 2002-2005.

University and Campus Service

Institute for Digital Arts and Humanities, Steering Committee, 2016-present.

William T. Patten Foundation, Patten Committee, 2016-2019.

New Frontiers in the Arts and Humanities, Grant Review Committee, 2016-2018.

Faculty Committee for for the Individualized Major Program, 2013-present.

Residential Programs and Services Residential Fellows Program, 2013-2014.

University Faculty Council, Benefits Committee, 2012-2015.

Bloomington Faculty Council, Benefits Committee, 2005-2015.

Bloomington Faculty Council, Library Advisory Committee, 2007-2015.

Indiana University Digital Library Program Advisory Committee, 2006-2009.

Bloomington Faculty Council, Technology Policy Committee, 2005-2008.

University Libraries, Fee-Based Library Services Procedural Working Group, 2006.

Bloomington Library Faculty Council, Continuing Education Committee, 2005-2007.

Bloomington Library Faculty Council, Research Committee, 2005-2006.

University Libraries, Library NEH Selection Committee, 2005.

University Libraries, Institutional Repository Working Group, 2004-2006.

University Libraries, Collections Digitization Committee, 2004-2005.

School of Informatics and Computing Service

Faculty Policy Committee, 2016-2019.

Faculty Policy Committee, 2013-2016.

Department of Information and Library Science Service

Director, Graduate Programs, 2017-present.

Coordinator, Undergraduate Initiatives, 2014-present.

Director, Digital Humanities MIS/MLS Specializations, 2015-present.

Director, Digital Libraries MIS/MLS Specializations, 2006-present.

Curriculum Steering Committee, 2012-present; Chair 2014-present.

Director, Masters of Library Science Program, August-December, 2012.

Diversity Committee, 2011-2012.

Information Technology Committee, 2006-2011.

State & Local Service

Trustee, Monroe County Public Library Board of Trustees, 2006-present (appointed to four consecutive four-year terms by the Monroe County Council in 2006, 2010, 2014, and 2018.)

President, Monroe County Public Library Board of Trustees, 2008-2009 and 2016-2017.

Treasurer, Monroe County Public Library Board of Trustees, 2007.

Secretary, Indiana Library Trustee Association, 2006-2007.
